RED

SMW Red **G | B**
8 | 26

This Cabernet/Zinfandel blend has aromas of dark fruits and jam. Once tasted, the flavors lean to the red fruits like dark cherries and cranberries, with hints of plums and blackberries and definite oak from its barrel aging. This is an easy drinking red wine.

Single Vineyard Cabernet Sauvignon

2017 Cabernet Sauvignon 11 | 39

This vintage aged in stainless steel, neutral and new oak barrels is a symphony of depths and complexity, matured to perfection with an extra year of aging. It offers a rich blend of dark fruits, leather, and vanilla.

2018 Cabernet Sauvignon 11 | 39

Bright and spirited, the 2018 vintage stands out with its sun-drenched fruitiness and an oakier finish than its predecessor. Lively notes of blackberry, currants, and plums lead to a structured, oak-enhanced finale, balancing freshness with depth.

2019 Cabernet Sauvignon 11 | 39

Newly released, our 2019 vintage leads with a red fruit forward nose. Notes of red berries, plums and currants take lead with a nice oak note once it opens up. The red fruit follows through on the palate as you take a sip with subtle hints of vanilla on the back end from aging in oak for 18+ months

2017 Reserve 12 | 45

Our Bordeaux blend and our flagship red wine. It has a deep purple and ruby color and is a rich red wine that drinks incredibly smooth. The aromas are complex and lean to dark fruits like currants and plums. The flavors are dominated by red and black fruits with cherries, blueberries, and plums, as well as notes of tobacco, pepper and chocolate with subtle hints of the oak in which the wine is aged.

VINEYARD INFO

We currently have 6 total acres of grapes planted,
with 4 different Grape Varietals

Our oldest acreage is 2 acres of **Crimson Cabernet**. We planted these grapes in 2021. This Red Wine Grape was developed at UC Davis and is a hybrid of Norton and Cabernet Sauvignon. We expect our first harvest in the Fall of 2024.

In spring 2024, we planted the other 4 acres.
The 1 acre out by HWY 68 is the Red Wine Grape, **Cabernet Franc**. This is a French grape and is parent of Cabernet Sauvignon.

The other 3 acres is split between 2 White Wine Grapes.
The first 1.5 acres is **Chardone**. This is a hybrid grape that comes from Chardonnay and Seyval Blanc [cultivated at Cornell University]
The other 1.5 acres is **Traminette**. Another hybrid grape that comes from Gewürztraminer, a German Grape, and Joannes Seyve [cultivated at the Un. of Illinois]
